

DECLARATION, POWER OF ATTORNEY AND PETITION

As the below named inventors, we hereby declare that our residences, post office addresses and citizenships are as stated below next to our names; that we verily believe we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled **HIGH PRESSURE TUBE CLEANING APPARATUS**, the specification of which

☒ is attached hereto or
_____ was filed on _____, as application serial no.
_____ and
_____ as further described at the supplemental disclosure statement attached hereto.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above and the contents of any attached supplemental disclosure statement.

We acknowledge the duty to disclose information that is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, Section 1.56(a).

We hereby claim the benefit under Title 35, United States Code, Section 120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, Section 112, we acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, Section 1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

VERIFIED STATEMENT (DECLARATION) CLAIMING SMALL ENTITY
STATUS (37 CFR 1.9(f) and 1.27(b)) -
INDEPENDENT INVENTOR

As a below named inventor, I hereby declare that I qualify as an independent inventor as defined in 37 CFR 1.9(c) for purpose of paying reduced fees under Section 41(a) and (b) of Title 35, United States Code, to the Patent and Trademark Office with regard to the above-entitled invention described in

☒ the specification filed herewith.
_____ application serial no. _____, filed _____.
_____ patent no. _____, issued _____.

I have not assigned, granted, conveyed or licensed and am under no obligation under contract or law to assign, grant, convey or license, any rights in the invention to any person who could not be classified as an independent inventor under 37 CFR 1.9(c) if that person had made the invention, or to any concern which would not qualify as a small business concern under 37 CFR 1.9(d) or a nonprofit organization under 37 CFR 1.9(e).

I acknowledge the duty to file, in this application for patent, notification of any change in status resulting in loss of entitlement to small entity status prior to paying, or at the time of paying the earliest of the issue fee or any maintenance fee due after the date on which status as a small entity is no longer appropriate. (37 CFR 1.28(b)).

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this Verified Statement is directed.

ASSIGNMENT

WHEREAS, Daniel T. Garman, P.O. Box 280, Eveleth, MN, 55734 and Eugene R. Valentine, 322 North Avenue NE are the inventors of that certain invention disclosed and claimed in an application for United States Letters Patent entitled HIGH PRESSURE TUBE CLEANING APPARATUS and for which an application for United States Letters Patent was executed by the aforesaid individuals on March 15, 2001;

WHEREAS, Aqua Dynamics, Inc., doing business as a corporation organized and existing under and by virtue of the laws of the State of Minnesota, and having its principal office located at P.O. Box 280, Eveleth, MN 55734 (hereinafter referred to as ASSIGNEE), is desirous of acquiring the entire right title and interest to said invention and any patents of any countries which may be granted on said invention and related patent applications and letters patent; and

WHEREAS, the foregoing inventors (hereinafter collectively referred to as ASSIGNOR), are desirous of assigning their rights and interest in said invention and any related applications wherever filed.

NOW THEREFORE, Be It Known that for and in consideration of the sum of One Dollar (\$1.00) in hand paid by ASSIGNEE to ASSIGNOR, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR has sold, assigned, and transferred, and does hereby sell, assign and transfer unto ASSIGNEE, the entire right, title, and interest, both legal and equitable, to the above identified invention, to the above identified application for patent, and to all patents of any countries which may be granted to said invention; and the Commissioner of Patents and Trademarks or other cognizant patent authority is hereby authorized and requested to issue, in accordance with this Assignment, all patents which may be granted to the above identified application or the invention therein disclosed.

ASSIGNOR agrees also whenever called upon and without separate remuneration, other than attendant expenses, to timely execute, acknowledge, assist in and do those things deemed necessary by ASSIGNEE to perfect its rights worldwide to the invention and to assist ASSIGNEE as necessary in enforcing such rights.
